*Proper sorting starts with you.
We thank you for all of your efforts.*

SAY "NO" TO CONTAMINANTS! GARBAGE and **ORGANICS** **DO NOT** belong in the **RECYCLABLES** bin.

MAINTAIN A CLEAN STREAM! Empty, rinse, or wipe recyclable plastic, metal, and glass food containers before placing them in the **RECYCLABLES** bin.

KEEP AN EYE ON SIZE! Corrugated cardboard and paper boxes should be flattened and large pieces cut to 2' x 3' or smaller. This creates more room in the recycling bin, prevents litter, and keeps materials from getting stuck in carts and blocking the hopper of the collection vehicles.
