

**Have Questions?
Need Help?
Contact us!**

ACI can assist you with starting or right-sizing your recyclables, organics, and garbage collection services.

• ACI provides up to 96 gallons of **RECYCLABLES** and 96 gallons of **ORGANICS** service per week at no extra charge to qualifying business customers. Call us today to determine your eligibility and get your carts delivered.

• ACI's Sustainability Specialists will visit to survey your waste and recycling needs, answer any questions, and can provide posters and other resources to assist with proper sorting of your waste.

• ACI offers a variety of other recycling services. We have collection programs for construction, demolition debris, and more.

• ACI offers wheeled carts, bins (1-7 cubic yards), and debris boxes (10-40 cubic yards). We may also be able to assist you with the procurement of a compactor or other necessary equipment. Contact us for assistance with enclosure planning for new construction or remodeling.

• ACI's current garbage, recycling, and organics collection rates are available on our website SanLeandroRecycles.com or by calling our customer service department at 510-357-7282.

Reducing Waste is the Law

Small steps add up to BIG changes in reducing waste. Together, we can all make a difference.

SENATE BILL 1383 (SB 1383)

Aims to keep food and other compostable materials ("organics") out of landfills to reduce emissions that contribute to climate change.

HOW DO I COMPLY? You must have **ORGANICS** collection service and put all food, food-soiled paper, and yard trimmings in the green bin. Visit StopWaste.org/Rules* for more info.

ASSEMBLY BILL 827 (AB 827)

Requires businesses to provide **RECYCLABLES** and **ORGANICS** collection containers to collect these materials generated from products purchased on the premises.

HOW DO I COMPLY? Provide **RECYCLABLES** and **ORGANICS** waste containers that are easily accessible, visible, and clearly labeled for customers to sort their waste. Visit SanLeandroRecycles.com/commercial/resources for links and more info.

ASSEMBLY BILL 1276 (AB 1276)

Prohibits food facilities and third-party food platforms from providing any single-use foodware items or standard condiments to customers, unless requested.

HOW DO I COMPLY? Inform staff that single-use items must be requested, not provided by default. Post signage to let consumers know they can ask for what they need. Eliminate bundled single-use items. Update online ordering menus to allow consumers to request each available accessory or condiment or opt out of them altogether. Visit Stopwaste.org/resource/stop-waste-ab-1276-fact-sheet for links to more info.

Alameda County Industries
We are proud to be your service provider for **Recyclables, Organics & Garbage.**

Collection Service Tips

You can help us provide safe & efficient service.

- Keep your collection cart/bin lids closed. Do not overload your containers.
- Make sure the area around your carts or bins is clear on collection day.
- Right size your service levels. Make sure your **RECYCLABLES, ORGANICS, and GARBAGE** collection service levels are correct for waste reduction law compliance (SB 1383) and safe, efficient service. Contact us, we can help!

TANKS**

YOUR RECYCLABLES ARE SORTED BY PEOPLE
Our Materials Recovery Facility (MRF) sorting staff thanks you for keeping them safe by making sure needles, sharps, hazardous waste, garbage, and organic material is not in the recycling.

FOR AN ONLINE GUIDE of what belongs in your collection containers scan the QR code at right or visit SanLeandroSorts.com

REDUCE WASTE. IT'S ALWAYS BETTER TO REUSE, RECYCLE, COMPOST, OR DONATE THAN TO DUMP IN THE LANDFILL.

NO SHARPS OR HAZARDOUS WASTE
It is illegal to dispose of hazardous waste in any ACI collection container. Please take hazardous materials to a Household Hazardous Waste (HHW) collection facility. There is a fast, free drop-off at four locations in Alameda County. Visit StopWaste.org/hhw or call 1-800-606-6606 for more information.
