RATES FOR DROP BOX SERVICES

PER-PULL RATES: Customer shall be charged a per-pull rate each time its drop box or compactor box is serviced. If container is not ready for service when driver arrives, customer will be charged the pull rate.

DISPOSAL AND PROCESSING RATES: In addition to the per-pull rate charged each time the drop box or compactor box is serviced, the customer will be charged for each ton of material in the drop box or compactor box based on actual weight of materials. Per-ton rates are listed. Per-ton charges will be assessed after materials are collected. Any source separated material deemed to be contaminated will be charged at the garbage rate (loose or compacted).
