ARE SORTED BY PEOPLE**
*Thank you for properly
sorting your waste.*

Our Materials Recovery Facility (MRF) sorting staff thanks you for keeping them safe by making sure needles, sharps, masks, gloves, wipes, tissues, garbage, organics, and anything with bodily fluids, is not in the recycling. Scan the QR code below for online guide of what goes where and a video that shows what happens to your recyclables after they are collected.

**NO SHARPS OR
HAZARDOUS WASTE**
*It is illegal to dispose of
hazardous waste in any
ACI collection container.*

Please take hazardous materials to a Household Hazardous Waste (HHW) collection facility. There is a fast, free drop-off at four locations in Alameda County. Visit StopWaste.org/hhw or call 1-800-606-6606 for more information.
