

Alameda County Industries

We are proud to be your service provider for
Recyclables, Organics, & Garbage.

City of San Leandro

Multi-Family Customers

NOVEMBER 2025

HELP US PROVIDE SAFE AND EFFICIENT SERVICE

Compost Right During the Holidays

Food scraps and food-soiled paper belong in the green bins.

Any leftover food scraps and food-soiled paper belong in the green **organics** cart or bin. Remember to keep the organics material clean and avoid contamination: **NØ plastic, NØ glass, NØ metal, NØ Styrofoam®.**

For an online guide of what belongs in the green **organics** bin, scan the QR code or visit SanLeandroSorts.com. Need additional **organics** service? Call our Customer Service Department at 510-357-7282.

Make Sure Your Complex is Compliant With State Law

State Law SB 1383 requires all multi-family properties to:

- 1. Have sufficient organics and recycling collection services.**
- 2. Set up indoor bins.** Color-coded and labeled compost and recycling bins must be placed next to all garbage bins. **Green for organics, blue for recycling, black/gray for garbage.**
- 3. Sort materials into the proper bins.** Owners/managers must ensure materials are sorted correctly into compost, recycling, and garbage.
- 4. Inform staff, contractors, and tenants about proper sorting at least annually.**

Contact ACI for help with compliance. We can help with waste assessments, program posters/flyers, employee/tenant education, training and more. Bilingual flyers and more resources are available at StopWaste.org/rules/resources

TIPS FOR TENANTS Reduce Waste This Holiday Season

Americans produce 25 percent more waste from Thanksgiving to New Year's. With planning and intention, we can reduce waste when giving.

Try second-hand first.

Shopping at resale or thrift stores not only saves money, but also keeps stuff out of the landfill.

Shop at local stores.

Support businesses that focus on sustainable, lasting goods. Avoid buying online, which creates additional packaging and transportation waste.

Give experiences.

Gift tickets to a museum exhibit, sporting event, or gift cards to local restaurants.

Multi-Family Holiday Tree Collection December 26 - January 31

MAKE SURE HOLIDAY TREES AT YOUR COMPLEX GET COMPOSTED:

- All decorations, lights, and the stand must be removed.
- Trees must be loose. Do not wrap or bag them.
- Make sure access to your collection containers is not blocked.

DID YOU KNOW?

- Flocked trees are accepted but will not be composted.
- Artificial trees are not accepted and belong in the garbage (try reuse or donation first). Contact us for collection options.

PLEASE NOTE: Tree collection will occur with special trucks at different times than your regular collection services.

Multi-family complexes can designate collection area(s) for trees during the tree collection period. Approval of designated collection area(s) by ACI personnel is required. Contact us to make arrangements. For more holiday collection info and a flyer you can post at your complex, scan the QR code, contact us, or visit SanLeandroRecycles.com/holiday

Recycling Reminder: CARDBOARD

Remind your tenants to **flatten their boxes** to maximize space. Make sure the lids close and **do not overfill** your **RECYCLABLES** containers or collection areas. Contact us if you need additional service.

RECYCLE RIGHT! Metallic wrapping paper, most ribbons and bows, cellophane, and polystyrene packaging are **not recyclable**. Try these sustainable tips instead:

- Choose to wrap gifts in reusable, recycled/recyclable, or compostable materials.
- Save and reuse ribbons, wrap, and gifts bags.
- Visit Resource.stopwaste.org for reuse, repair, recycling, and safe disposal tips.

Happy holidays from everyone at ACI!

SHARE THIS INFORMATION WITH YOUR TENANTS! This newsletter can be downloaded and printed from our website SanLeandroRecycles.com/multi-family/resources
