

Alameda County Industries

We are proud to be your service provider for
Recyclables, Organics, & Garbage.

Reduce Waste & Be a Sustainable Business

Make 2026 the year your business makes a positive environmental impact in your community. It's easy!

- **Reduce waste** by offering products made from recycled/compostable materials
- **Make your shipping process green.** Try using reusable transport packaging. Visit UseReusables.org for more info and support.
- **Go Trash-Free: choose reusables!** Improve brand reputation and encourage sustainability. Find out more at SanLeandro.org/1454/Trash-Free-San-Leandro
- **Support healthy environmental practices** by being a California Green Business. (see right)

Compost Right During the Holidays

Food scraps and food-soiled paper belong in the green bins.

Any leftover food scraps and food-soiled paper belong in the green **organics** cart or bin. Remember to keep the organics material clean and avoid contamination: **NØ plastic, NØ glass, NØ metal, NØ Styrofoam®.**

For an online guide of what belongs in the green **organics** bin, scan the QR code or visit SanLeandroSorts.com. Need additional **organics** service? Call our Customer Service Department at 510-357-7282.

Commercial Customers
DECEMBER 2025

Be a California Green Business in 2026!

The California Green Business Program leads the state and nation in working with small to medium-sized businesses to grow a vibrant and healthy green economy.

Led by a coalition of cities and counties, the California Green Business Network contributes to more livable communities while also conserving resources and saving money.

The goal of the Network's incentive and assistance programs is to help local businesses conserve energy, water, minimize waste, prevent pollution, and shrink their overall carbon footprint.

To sign up, view a list of green businesses, and see the 2024 Impact Report of the California Green Business Network, visit Greenbusinessca.org

No Fee Holiday Tree Collection During the Month of January

ACI will collect holiday trees from our commercial customers at no additional charge. Commercial locations with centralized collection services can designate a collection area for trees during the month of January. Approval of the designated collection area by ACI personnel is required. For more info scan the QR code, contact us, or visit SanLeandroRecycles.com/holiday

MAKE SURE YOUR HOLIDAY TREE GETS COMPOSTED:

- All decorations, lights, and the stand must be removed.
- Trees must be loose. Do not wrap or bag them.
- Make sure access to your collection containers is not blocked.

DID YOU KNOW?

- Flocked trees are accepted but will not be composted.
- Artificial trees are not accepted and belong in the garbage (try reuse or donation first). Contact us for collection options.

Make Sure Your Business is Compliant With State Law

STATE LAW SB 1383 REQUIRES ALL SAN LEANDRO BUSINESSES TO:

- 1. Have sufficient organics and recycling collection services.**
- 2. Set up indoor bins.** Color-coded and labeled compost and recycling bins must be placed next to all garbage bins. **Green for organics, blue for recycling, black/gray for garbage.**
- 3. Sort materials into the proper bins.** Owners/managers must ensure materials are sorted correctly into compost, recycling, and garbage.
- 4. Inform staff, contractors, and tenants about proper sorting at least annually.**

Need help with compliance? Contact ACI for waste assessments, program posters/flyers, employee/tenant education, training, and more. Bilingual flyers and more resources are available at StopWaste.org/rules/resources

Happy holidays from everyone at ACI!

SHARE THIS INFORMATION. This newsletter can be downloaded and printed from our website SanLeandroRecycles.com/commercial/resources
