Proper Sorting Starts With You. Keep the Recyclables Clean

SAY "NO" TO CONTAMINANTS!
GARBAGE and **ORGANICS DO NOT**
belong in the **RECYCLABLES** bin.
Visit SanLeandroSorts.com for an
online guide* of what goes where
and a video that shows what happens
to your **RECYCLABLES** after they are
collected.

KEEP AN EYE ON SIZE! Corrugated
cardboard and paper boxes should be
flattened and large pieces cut to 2' x 3' or
smaller. This creates more room in the
recycling bin, prevents overflow and litter,
and keeps materials from getting stuck in
carts and the hopper of the collection vehicles.

MAKE SURE YOUR RECYCLING GETS RECYCLED!
Recyclables in bags, especially opaque/ black
ones, are sorted out as garbage and end up in
the landfill. Keep recyclables loose, **NO BAGS**
are needed in the curbside recycling program.

BE PART OF YOUR COMMUNITY Adopt a Storm Drain
